Chance

Learning goal

We are learning to describe how like familiar verbs are.

We will use three chance phrases: won't happen, might happen, and will happen.

Chance words

WON'T HAPPEN = impossible

MIGHT HAPPEN = possible

WILL HAPPEN = certain

Won't happen

Use won't happen when an event is impossible

Example: A cat won't hatch from an egg.

Think-Pair-Share

Name one familiar event that won't happen.
Tell your partner why it is impossible.

Might happen

Use might happen when an event is possible, but not certain.

Example: It might rain after school.

Think-Pair-Share

Name one familiar event that might happen to you.
What could make it happen?

Will happen

Use will happen when an event is certain.

Example: The sun will set tonight.

Think-Pair-Share

Name one familiar event that will happen
Tell your partner how you know

A likelihood line

WON'T HAPPEN ← less likely — more likely → WILL HAPPEN
MIGHT HAPPEN sits between them.
